We are a program of the
Virginia Interfaith Center for Public Policy.

We are people of faith collaborating to grow healthy communities and advance climate justice through education, advocacy, and worship.

Community Dialogues & Workshops

We can connect your congregation with **guest speakers** from different faith traditions who can tell the story of what is happening to our world and invite your community to reflect on their call to respond as a faith community. Learn more at vaipl.org, and email contactus@vaipl.org to schedule a program.

Resources & Action Opportunities

We offer a variety of interfaith resources for your faith community to learn about environmental justice, philosophies and theologies. We'll help your community take action to care for our neighbors and our common home. Visit vaipl.org for resources and action opportunities. Email contactus@vaipl.org to request **Creation Care Voter Pledge cards** to distribute in your faith community.

Film Library

Browse a collection of **environmental film** DVDs available for congregations to borrow at vaipl.org.

Solar Power

Join with neighbors to **go solar** at home through a solar co-op in your region, or look into purchasing or leasing solar panels for your congregation. Enroll in a solar co-op at bit.ly/VASolarCo-ops. Email contactus@vaipl.org if you're interested in purchasing or leasing solar panels.

Light Switch Reminders

Order a set of light switch reminders for your congregation to encourage more **mindful energy use** in your community. To place an order, email contactus@vaipl.org.

virginia interfaith power & light Partnership Program

By becoming a **VAIPL partner congregation or community**, you will be connected to a supportive, statewide network of Virginians of many faiths and backgrounds seeking to care for Creation through a Green Leaders' listserv. Your congregation or community will also have access to the latest news, information, action opportunities, and programs from VAIPL. Interested in learning more or becoming a member? Email partners@vaipl.org.

Special Collection

If your congregation shares a collection with worthy ministries, consider deepening your commitment to Creation care by **devoting a portion of your funds** to strengthen grassroots organizing with local congregations through a gift to VAIPL. We'll happily send a speaker on the day of the collection. Email contactus@vaipl.org to make arrangements.
