

The faith community is called to care for those in need and offer hope in the darkness of despair.

Now is the time to reach uninsured and under-insured adults who stand to benefit from Medicaid Expansion in Virginia, to give them

HEALTH CARE HOPE

People can apply **year-round** for Medicaid coverage.

To be eligible, recipients must:

- Be Virginia residents, aged 19-64
- Not be currently enrolled in or eligible for Medicare
- Meet income requirements, which vary by household (single adult making up to \$17,237 or a family of three making up to \$29,436)

In Virginia, low-income workers in retail, construction, childcare, landscaping and food service are often not provided health insurance. More than **40 percent** of adults eligible for coverage under Medicaid expansion are people of color. Many who may have been denied coverage in the past may become eligible under

Medicaid Expansion, but may not know that the rules have changed. Their lives can change with **Health Care Hope**.

“For the poor shall never cease out of the land; therefore, I command thee, saying, Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy, in thy land.”

DEUTERONOMY 15:11

VICPP IS
